

Key Source National Distributor

DH Technology is pleased to announce that we are now the exclusive National Distributor for Key Source International, the world leading POS keyboard manufacturer.

"With our ever expanding range of POS keyboards, we have been looking for a National Distributor with proven marketing expertise and an in-depth knowledge of the POS market in Australia.

DH Technology has a reputation for excellent service in this area and we look forward to supporting them as our new National Distributor" - Peter Hehir, Asia Pacific Regional Manager for Key Source Australia.

Key Source has been the leading manufacturer of POS Keyboards for many years, paving the way for innovative approaches to the ever demanding needs of the POS market. The products range from the simple integration of magstripe readers to full featured peripherals including biometrics, smart card, pointing devices, programmability and more.

DH Technology now provides the complete range of POS, Mini, Wireless and Programmable keyboards.

Call us today to find more about the Key Source keyboard range and our competitive pricing.
